**SPECIAL SUPPORT EVENTS**

**RESEARCH STUDIES**
*A Study of the Nutrition and Information Environments of Breast Cancer Survivors in Alabama*
Participants in the first phase of this study will complete a survey online that will take about 30 minutes. Some participants may be asked to participate in the second phase of the study. Participants in the second phase will complete an interview that will last about 40 minutes. All participants will receive compensation for completing the study. Who can participate?: Women who have been diagnosed with breast cancer; completed treatment at least one year ago; age 18 and older; speaks English; lives in Alabama. For more information, visit [www.survivormems.org](http://www.survivormems.org) or call (334) 329-4767.

Do you have early breast cancer? Taking aromatase inhibitors? Feeling tired, experiencing pain or hot flashes, depression, stress or other symptoms? The Integrative Medicine Clinic is conducting a new study that may help with these side effects. To find out if you qualify, call (205) 975-2758.
