**RESEARCH STUDIES**

**Test your Knowledge about research and clinical trials studies!** The UAB Comprehensive Cancer Center is asking people living all across Alabama to complete our knowledge and experience survey. It only takes 5 minutes or less.

To complete the survey, just click on the link: [https://uab.co1.qualtrics.com/jfe/form/SV_cHD1dvejQfKKFc9](https://uab.co1.qualtrics.com/jfe/form/SV_cHD1dvejQfKKFc9)

**A Study of the Nutrition and Information Environments of Breast Cancer Survivors in Alabama**

Participants in the first phase of this study will complete a survey online that will take about 30 minutes. Some participants may be asked to participate in the second phase of the study. Participants in the second phase will complete an interview that will last about 40 minutes. All participants will receive compensation for completing the study. Who can participate?: Women who have been diagnosed with breast cancer; completed treatment at least one year ago; age 18 and older; speaks English; lives in Alabama. For more information, visit [www.survivormems.org](http://www.survivormems.org) or call (334) 329-4767.

**Mindfulness Based Meditation for Breast Cancer Patients**

Do you have early breast cancer? Taking aromatase inhibitors? Feeling tired, experiencing pain or hot flashes, depression, stress or other symptoms? The Integrative Medicine Clinic is conducting a new study that may help with these side effects. To find out if you qualify, call (205) 975-2758.

**Wear to Care**

This pilot program is designed to determine the effectiveness of Fitbit devices for cancer patients in the delivery and coordination of their cancer care. This is a FREE program that lasts a total of 5 weeks. Participants are asked to wear their Fitbit devices for 4 weeks and then attend a focus group meeting during the 5th week. After the program, you will be compensated with the option to keep the FitBit device. For more information, contact David Bryan at (2050 975-1247 or email dbryan@uab.edu.)
