

The UAB Comprehensive Cancer Center solicits applications for the **Young Supporters Board of the UAB Comprehensive Cancer Center New Faculty Development Award in Cancer Research**.

Application deadline: July 27, 2018

- **Eligibility criteria:** Junior faculty members (Assistant Professors and Instructors) who have held a faculty position for three years or less and have not received funding from a major national funding agency (except training awards).
- **Purpose of award:** To provide “seed” money for the initiation of a promising new cancer-related project by a junior faculty member to obtain preliminary results that facilitate successful competition for a national research grant.
- **Funding amount:** \$50,000 for a 12-month period.
- **Application Instructions:** Please submit a 3-page application and your Biosketch (or CV) as a single document. Your application should include a project title, list of collaborators and description of work proposed. The bibliography is not included in the 3-page limit. Biosketches of collaborators are not required.
- Electronic applications should be emailed to sruppert@uab.edu by July 27, 2018.
- For additional information, please contact Susan Ruppert
