

Request for Applications

ACS-IRG Junior Faculty Development Grant

DEADLINE: November 15, 2018

- Applicant should have a current junior faculty (Assistant Professor or Instructor) appointment at UAB for no more than 6 years
- US citizenship not required but applicant should have a valid US visa for the duration of the pilot grant.
- The applicant should not have received significant extramural funding such as an RO1, DOD or Komen grants. Training grants are allowed.
- The purpose of this grant is to provide “seed” money for the initiation of a **promising new laboratory-based research project** to obtain preliminary results that facilitate successful competition for a national research grant.
- All awards are for \$40,000 for one year. There will be four awards.
- Application forms and detailed instructions are available online at the UAB Comprehensive Cancer Center website/Member Resources tab.
